Temporary Emergency Housing in Grover Beach

**20 Cabin Emergency
Housing Facility
Opening in 2022!**

5Cities Homeless Coalition (5CHC), in partnership with the County of San Luis Obispo (SLO) and City of Grover Beach, is working hard to implement a new, temporary emergency housing model in Grover Beach to help those experiencing homelessness in South County achieve the ultimate goal of permanent housing. There are currently no transitional options available in South County, making this much-needed resource extremely valuable to both those in need and their communities. The cabins are currently under construction, and ready for furnishings!

Cabins for Change

HELP US HOUSE OUR NEIGHBORS

A cabin, for an unhoused neighbor, is much more than a place to sleep. With 24/7 support, wrap-around case management, provided nutrition, and drug and alcohol abuse services, our cabins will place individuals on the road to permanent housing. Providing all of these services isn't going to be easy - this project will require the support of the community like we've never seen before. Just as we're rising to the occasion, we're asking you do too.

**5CHC is helping our neighbors every day to find a place to call home!
Here are a few that we have served in 2022:**

A couple in their 40's found an apartment after the husband woke from a three month coma to homelessness.

An elderly man in his 80's finds housing after 15 years of homelessness.

A hard working man in his 30's was able to stop couch surfing and found an apartment within walking distance of his home.

A young family with a special needs baby was able to move out of their car into an apartment.
